To our valued customers

Due to the current pandemic and in line with government advice we have taken the decision to temporarily close our London branch. The safety of our staff and customers is of paramount importance to us. All orders will be dealt with by our head office and central warehouse in Nottingham, please call 0115 9461988 or email sales@hscuk.co.uk, we are keen to assist you with your requirements during this unprecedented time. Our warehouse and main sales office in Nottingham are working to strict health & safety and public health guideline and we are continuously reviewing this service with our delivery partners, to operate in the safest way possible.

Finally, we would again like to thank you for your loyalty and support to our business, during what is clearly a very challenging and uncertain time for us all. We are committed to protecting our employees, as well as our wider community, with the health, safety and well-being of our employees, customers and partners remaining our absolute priority.

We will of course stay in contact with our customers and supply chain to keep people appraised of when normal operations will resume.
